## JUNE 2019 TUBESTOCK LIST

**TUBESTOCK** is available in 40mm square x 80mm deep tubes at 56 per tray. A charge of 80 cents will apply for trays supplied. A charge for cartons will be made where applicable.

**DELIVERY** is free to Melbourne metro and interstate freight depots for tubestock invoices exceeding \$600. Victorian country customers at destinations serviced by Van Berkel Plant Transport please ask us about freight charges. We take all reasonable care to produce quality tubestock, but will not be liable for losses of any kind in transport or growing conditions outside our nursery.

**PAYMENT:** Strictly 30 days from date of invoice. Customers who purchase our tubestock on our 30 day account are required to comply with our payment terms.

**OVERDUE ACCOUNTS:** Customers who buy our tubestock and do not pay within our trading terms will be charged an overdue account management fee of 1% of the outstanding invoice balance per month until the account is fully paid.

**GST:** Listed prices do not include GST.

**VALUED CUSTOMER DISCOUNT:** We may offer a volume discount to regular customers who trade within our 30 day terms.

**SMALL QUANTITIES:** The minimum quantity per variety is 14 plants. Quantities of less than one tray are priced as shown.

**IMAGES:** Email pictures of some plants are available on request. (Photo = Y) Images are also available for many of the plants we propagate on our website at [www.wildtechnursery.com.au](http://www.wildtechnursery.com.au)

**PICTORIAL LABELS:** We do supply some of our own labels which are coded "WILD", and our stocklist shows the most up to date listing we have of the other labels available from various horticultural printers. I is for Immij, N is for Norwood. Other labels may be held by nurseries, and if available for general sale are listed with the abbreviated nursery name. Customers are advised to check label availability with their suppliers, as label suppliers may withdraw a label from sale without notice. Plants marked with \* are PBR and must be sold with labels at additional cost. Prices on request.

**QUARANTINE TREATMENT:** Tubestock sent to South Australia, Tasmania and Western Australia will incur a \$45 per consignment treatment and documentation charge.

**CLEARANCE PRICE:** Every month we will list discount price clearance tubestock which is suitable for landscape planting or potting into large containers. Some of these plants may not be suitable for prime ornamental potting. If in doubt, give us a call.

**SPECIAL PRICE:** Plants on sale at a special reduced price for the month will be suitable for all potting and planting requirements, and will be available until sold out.
