PICTORIAL LABELS: We do supply some of our own labels which are coded "WILD", and our stocklist shows the most up to date listing we have of the other labels available from various horticultural printers. I is for Immij, N is for Norwood. Other labels may be held by nurseries, and if available for general sale are listed with the abbreviated nursery name. Customers are advised to check label availability with their suppliers, as label suppliers may withdraw a label from sale without notice. Plants marked with * are PBR and must be sold with labels at additional cost. Prices on request.

QUARANTINE TREATMENT: Tubestock sent to South Australia, Tasmania and Western Australia will incur a \$45 per consignment treatment and documentation charge.

CLEARANCE PRICE: Every month we will list discount price clearance tubestock which is suitable for landscape planting or potting into large containers. Some of these plants may not be suitable for prime ornamental potting. If in doubt, give us a call.

SPECIAL PRICE: Plants on sale at a special reduced price for the month will be suitable
